Elemental Elegance

A Fusion of Traditional Wisdom and Modern Design

Our products harmonize with the ancient wisdom of Traditional Chinese Medicine, embodying the elements of Wood, Fire, Earth, Metal, and Water.

Beyond mere colors, each piece is meticulously designed, reflecting the unique personality traits and characteristics of its associated element.

Wood

Nurture Your Compassion

Wood represents the personality of a leader, a hard worker, and someone who loves a challenge.

Wood-element people are blessed with flexible strength, are socially conscious, and constantly seek to grow and expand.

Fire

Embrace Your Passion

Fire represents dynamic and enthusiastic individuals. People aligned with fire tend to love, seek attention, and are talkative, outgoing, and sensitive.

Earth

Discover Your Nature

Earth portrays reliability and trust. People with the earth element are solid, friendly, calm, generous, and caring.

Metal

Believe in Your Strength

Metal depicts firmness, rigidity, persistence, strength, and determination. People aligned with the metal element are organized, business-oriented, and strong-willed.

Water

Trust Your Wisdom

Water represents individuals with bright minds. They are mentally agile but remain loyal and steadfast. Water element folks tend to seek knowledge. They are adaptable and understanding.

PURIFIED SMART BOTTLE

Sip Worry-Free – Your Drink Stays Clean on the Go

PURIFIED SMART BOTTLE: The Smart Hydration Companion

- ✓ Elevate your sip with our innovative Purified Smart Bottle.
- ✓ Experience hydration like never before with three impressive features to enjoy for the modern nomad.

Details

✓ Highly durable

304-stainless steel gives a tougher and fatigue-resistant structure than the regular 201 stainless steel.

✓ Double Wall

Two layers of steel vacuum insulation, with air in between, slow the temperature transfer, meaning the liquid inside maintains its original temperature for much longer.

✓ Protection

304 food-grade stainless steel is rust- and BPA-free, meaning no chemicals leaching from age or scratches and cleaning.

✓ Rubber Paint

High-quality rubber paint that gives a high-end aesthetic and reduces any slip for safer usage.

✓ Colors

Five unique color variations represent the Traditional Chinese Medicine philosophy of the 5 natural elements.

Every piece of our Nomad bottle has been designed with the customer's experience in mind.

ONE PRESS

Set up your smart bottle with these easy steps and enjoy its innovative features.

- ✓ Press the LED screen once, and the temperature will be displayed.
- ✓ The color and degrees displayed on the lid screen will signify the temperature status of your drink. Red indicates the liquid is still hot, so be careful.
- ✓ The optimal temperature for hot drinks is around 57.8 °C.

Blue circle
Water Temperature
0 - 20 °C

Green circle

Red circle
Water Temperature
56 - 99 °C

DOUBLE PRESS

Intelligent Reminder Setup

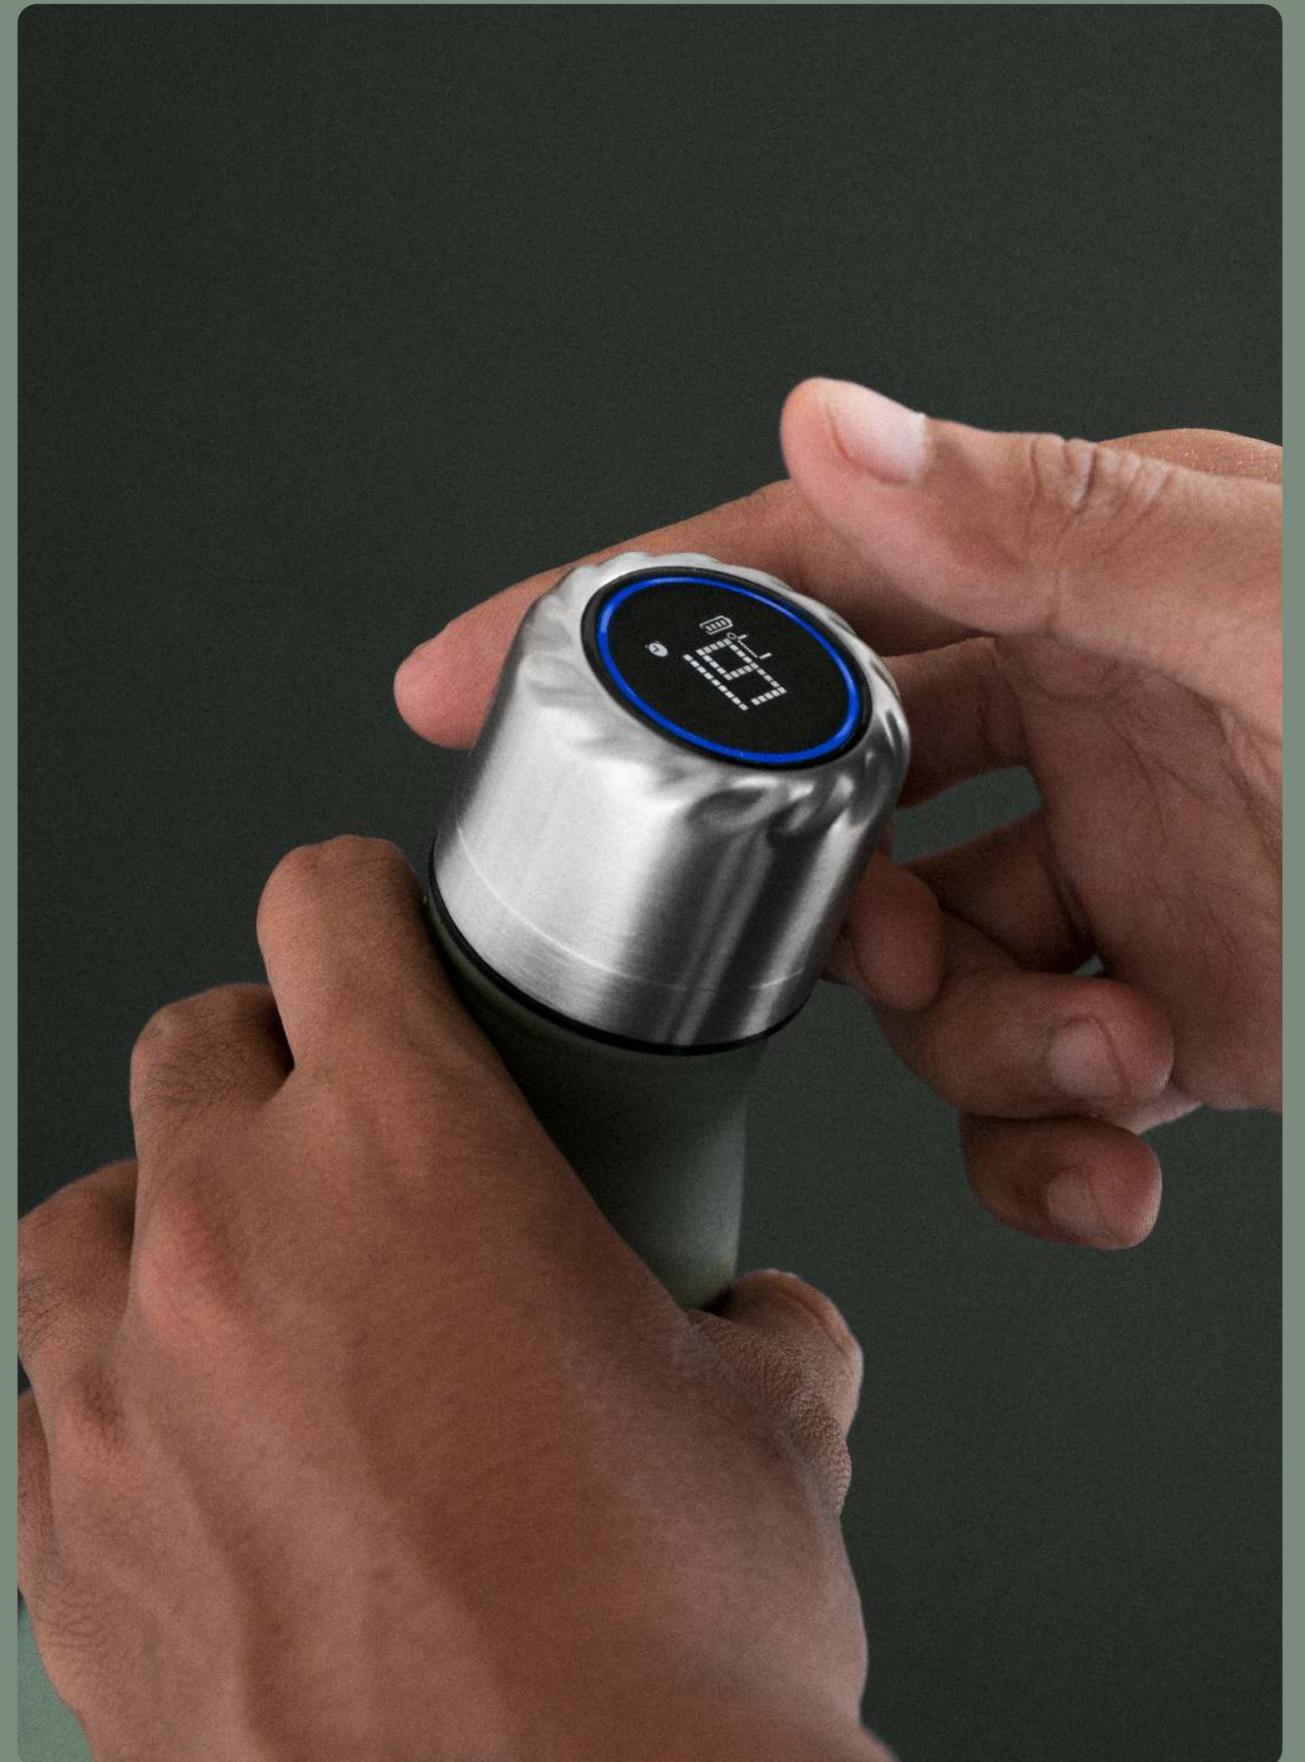

- ✓ First, tap the screen so it lights up, then double tap the display.
- ✓ When the alarm icon appears on the screen, and you hear a 'beep' sound, the intelligent alarm setup is successful.
- ✓ The innovative alarm system will go off after 45 minutes from when you last opened your bottle's lid and remind you to stay hydrated.
- ✓ If three consecutive beeps are ignored, the alarm system will switch off.
- ✓ When you remove the lid to sip, the alarm reminder will reset and start again.
- ✓ To turn off the alarm, touch the screen so it lights up, and then double tap to remove the alarm symbol icon. It will also beep to confirm.

The smart alarm is on.

The smart alarm is off.

TRIPLE PRESS

Sterilization Function

- ✓ Touch the screen to see the display light up, then tap three times continuously to activate the self-cleaning sterilization function.
- ✓ Once the process has begun, the display lights will pulse to remind you it's working.
- ✓ The sterilization process is complete once the light has stopped pulsing.
- ✓ Your water will now be safe to drink, as up to 99.9% of impurities have been removed.
- ✓ The odor within your bottle is usually caused by the bacteria in your saliva when drinking. This purifying process will eliminate any unwanted smells.

Battery Life Overview

The battery lasts about 20 days and needs 2 hours for a full charge.

Low Battery Warning

 When the battery is low, the icon shows, so charge it soon.

Charging Process

 It takes 2 hours to charge fully, giving you another 20 days of battery life.

Fully Charged

 After a 2-hour charge, the battery stays strong for approximately 20 days.
