Bamboo Straw

Eco-Chic Essentials for a Sustainable Nomad Lifestyle

Introducing our Nomad Series – a collection of seven sustainable products crafted to empower environmentally conscious individuals. Elevate your lifestyle with this sustainable and non-toxic collection.

Details:

- ✓ Crafted from 100% natural bamboo.
- ✓ Reusable for sustainable sipping.
- ✓ Conveniently available in packs of 10 straws.

BioKissed Bamboo Straws

Compost, Recycle, Repurpose!

- ✓ Experience the sustainable sipping revolution with our bamboo straws, a superior alternative that rises above the sea of plastic waste. Amidst the staggering daily disposal of 93 million plastic straws in Indonesia, our straws emerge as true eco-champions.
- ✓ Our bamboo straws boast strengths that far surpass the short-lived convenience of plastic because they are crafted with conscientious consumers in mind. These straws aren't just compostable and recyclable; they offer a distinctive edge by being easily repurposed for various household needs. Imagine a straw that meets your sipping requirements and transforms into a versatile tool, actively contributing to a plastic-free environment.
- ✓ With our bamboo straws, you're not just making a choice; you're making a powerful statement.

Clever Ideas for Giving Your Straw a Second Life

Unlock the versatility of your straw with these creative repurposing ideas:

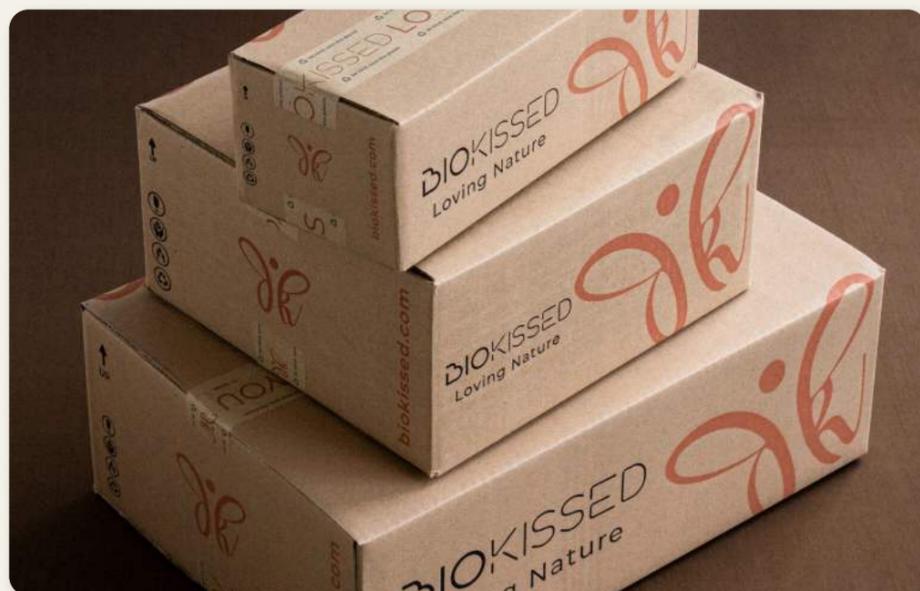

- ✔ **Household Innovations:**
Transform your straw into a cable label, a DIY vacuum sealer, or a stylish necklace chain holder.
- ✔ **Gardening Gadgets:**
Give your garden a green touch using the straw as a plant label or for efficient seed planting.
- ✔ **Arts and Crafts Magic:**
Unleash your artistic side with projects like crafting a bamboo photo frame, an elegant incense holder, or a charming flower holder.
- ✔ **Eco-Friendly Endeavors:**
Join the mission to save bees! Collect your straws and create a DIY bee hotel to contribute to the well-being of our buzzing friends.

Eco-Friendly Packaging

We Embrace Eco-Friendly Packaging for a Cleaner Tomorrow

We prioritize compostable and recyclable packaging and steer clear of the harmful effects of traditional plastics. Our commitment may seem like a small step, but it makes a significant impact in reducing mass plastic waste. Join us on the journey to a healthier planet through sustainable choices.

BioKissed Warranty

All other products

✓ For all products within the BioKissed Nomad range, except the PURIFIED bottle, BioKissed offers a 60-day warranty from purchase. We will repair or replace any defective item if found within this period. Normal wear and tear, misuse, loss, or theft are not covered.

✓ We expect video evidence of malfunction to be included in the initial communication before a return delivery. The cost of the return of the item is at the expense of the member or customer.
